*Leading psychic healer & Coach Rachanaa Jain was recently seen sharing red carpet with celebs at 6th Asian Awards. The expert reader & coach in Fengshui, Reiki, Oracle card reading, numerology and Realm reading has also authored a book on beating procrastination.*

**London, United Kingdom – 15th April, 2016** – The recently concluded 6<sup>th</sup> Asian Awards hosted a stellar event glammed up by the best of celebrities from all over. Along with superstars and achievers from several industries, leading psychic healer & Coach Rachanaa Jain was also seen sharing the red carpet with many celebs at the esteemed event.

The 2016 Asian Awards was hosted at The Great Room a Grosvenor House Hotel, London, on April 8. For years, Rachanaa has been a trusted psychic reader & healer to several celebs and it's her stellar client-base that makes her a known guest at these star-studded celebrations- an exclusive affair not enjoyed by many psychic healers.

“It was a special honor for me to share the prestigious red carpet with iconic celebs like Adele Emily Sandé, Tottenham Spur star Son Heung-min, MMA maverick & actor Alex Reid, famous TV presenter Elizabeth ‘Lizzie’ Cundy, CBE and Entrepreneur Dr Rami Ranger, Indian English Politician Baroness Verma, English television personality Jasmin Walia and many such honchos at the 6<sup>th</sup> Asian Awards. As a psychic healer to celebs, I do enjoy a close camaraderie with stars all around and it was great pleasure to be able to attend the grand award ceremony,” stated Rachanaa while speaking about her experience at the majestic Asian Awards last week.

The founder of “Devine Messages Limited”, Rachanaa specializes in healing, reading, teaching & helping people to identify their inner potential so that they can work hard to turn the cherish dreams to reality. She is widely famous for her extremely accurate readings, she is renowned for her works in Vaastu Shastra. Added to Fengshui, Rachanaa is an expert in Reiki, Oracle card reading, numerology and Realm reading. She offers both certification & corporate programs and carries workshops all over the world

“What makes her different is her unique ability to spot an issue, read a person’s past & present accurately & offer the most compatible solution that will brighten up his future & assure a happy life. An optimistic person, she always takes on a positive & compassionate approach towards finding solutions to life’s problems. Her readings and healing have helped many to come out of depression and enjoy a successful and content life”, added in the spokesperson from Devine Messages.

The leading psychic healer has also turned an author lately with her new book “[Awake Your Dreams: Stop Procrastinating! Start Achieving!](#)” The book discusses about the main reasons behind procrastination and forwards a smart 6-step DREAMS system that will help people to prevent the procrastinating thoughts and work immediately towards success.

“Procrastination is often one of the main reasons hindering one from leading a successful life, even when he has full potential. This book here will help to bring out inner drive in everybody so that they are charged up to do the needful now- without

pushing it away for a fictitious tomorrow. You will have a healthy and effective 'mind-diet' here."
